The Westberry Hotel & Restaurant

Welcome to The Westberry!

The Westberry Hotel & Restaurant has been under new ownership since April 2016. Our aim as the new proprietors is to welcome all of our guests as if they were our personal friends or family — we want you to be able to enjoy your time with us in a friendly, relaxed atmosphere while enjoying the high-quality food that we serve.

We have been working with our new Head Chef, Fabrice Gerardin, to introduce some changes to the long-standing previous menu, whilst taking care to ensure that the more popular dishes from the previous menu are retained. We have extended the Oriental side of our menu to feature additional dishes from countries such as Vietnam, China and Malaysia, as well as continuing to serve many of the Thai dishes on which the Westberry's reputation has been built. We will also be introducing some special dishes featuring local and seasonal produce from time to time.

We hope you enjoy the food, the company and the service, but if you have any questions or suggestions, please do not hesitate to speak to us or to any of the staff on duty.

Bon appétit! Lệ Khanh & Simon.
